

I did not sell my RSUs. Do they still matter for ITR?

Selling is not the only moment that counts.

Swipe to begin →

Holding is not selling

Vesting and holding are different from selling.

Vesting leaves records

Vested shares may create income records.

Foreign means disclosure

Foreign-held shares may create disclosure questions.

Selling adds a layer

Sale creates another layer: capital gains or losses.

**Do not wait until you sell to organize
your RSU records.**
